

Rural Learning Summit 2011

ENGAGING AND RETAINING RURAL YOUTH IN LEARNING

Analysis, Learning, Listening and Exploring

Friday, 12th August

Glenormiston College

Near Terang

The summit will look at ways we can improve engagement and retention of young people in rural Victoria

The Summit will involve presentations by key personnel, presentation by rural young people, outline of case studies and discussions focused on the summit theme.

The Hon. Peter Hall, Minister for Higher Education and Skill and Minister responsible for the teaching profession will be attending the summit.

Focus Areas

- **Analysis** of the trends in retention
- **Learning** from a program that works
- **Listening** to young people – presentations and a panel discussion with the newly created Rural Youth Ambassadors.
- **Exploring** future and innovative practical and workable solutions for government, schools and Country Education Project
